

WALL MOUNTED HAND BASINS

- Made of stainless steel.
- Seamless, drawn out of a single sheet of 1 mm thick steel, covered corner sink bowls with a generous radius for maximum capacity, strength, hygiene and easy cleaning and hygiene.
- Supplied ready to install, including as standard options:
 - Timed switch with easy-action lever.
 - Swivel nozzle (except “EL” models, with high quality electronic nozzle).
 - Mixer and taps for regulating hot and cold water flow.
 - Flexible 1/2” hoses for high pressure water.
 - Drain valve.

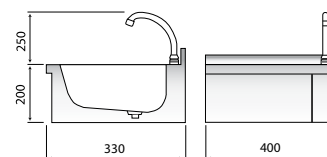

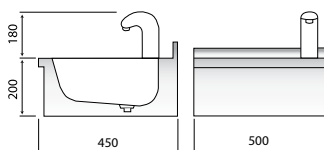

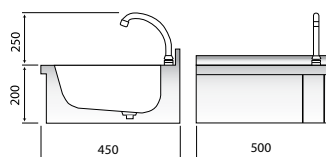

LM-43

LM-54-EL

LM-54-D

Model	Reference	Description	Dimensions
LM-43	19004981	With press button and rotating tube	400 x 330 x 200
LM-54	19004648	With press button and rotating tube	500 x 450 x 200
LM-54-D	19004635	With press button, rotating tube and soap dosing device	500 x 450 x 200
LM-54-EL	19004636	With electronic tap	500 x 450 x 200
LM-54-EL-D	19004742	With electronic tap and soap dosing device	500 x 450 x 200

*Electronic models with electric activation box to 230V/1/ 40 Hz

FLOOR STANDING HAND BASIN

- Made of stainless steel.
- Seamless, drawn out of a single sheet of 1 mm thick steel, covered corner sink bowls with a generous radius for maximum capacity, strength, hygiene and easy cleaning and hygiene.
- Supplied ready to install, including as standard options:
 - Timed switch with easy foot activation.
 - Swivel nozzle (except electronic “EL” model).
 - Mixer and taps for regulating hot and cold water flow.
 - Flexible 1/2” hoses for high pressure water.
 - Drain valve.

LP-54

LP-54-D

LP-54-D	19004770	Foot Hand basin with soap dosing device	500 x 450 x 800
LP-54-EL	19004785	Foot Hand basin with electronic tube	500 x 450 x 800
LP-54-EL-D	19004803	Foot Hand basin with electronic tube and soap dosing device	500 x 450 x 800

*Electronic models with electric activation box to 230V/1/ 50 Hz

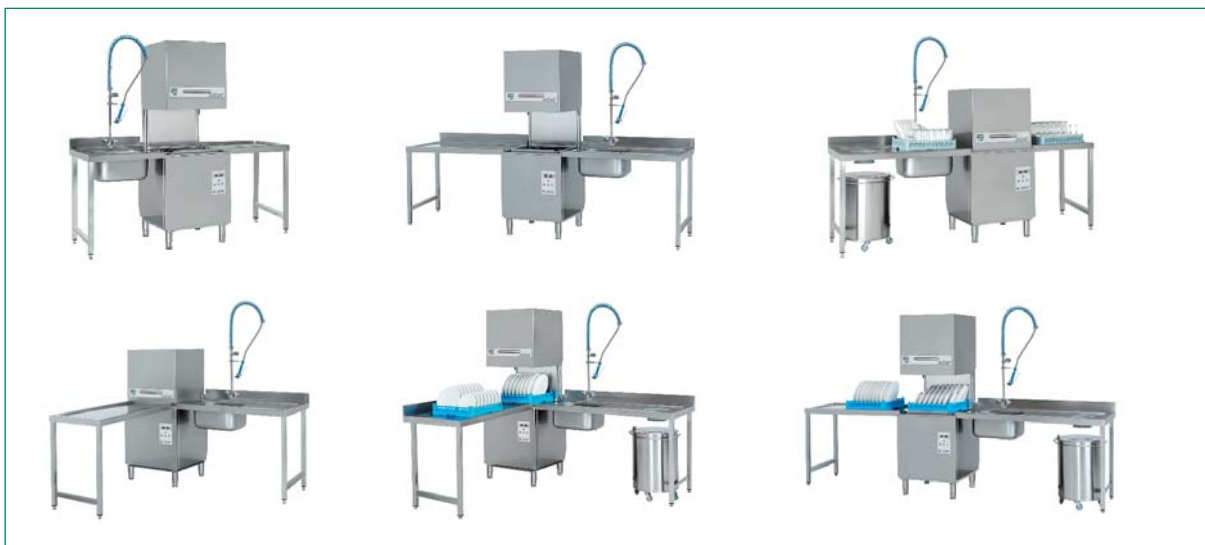

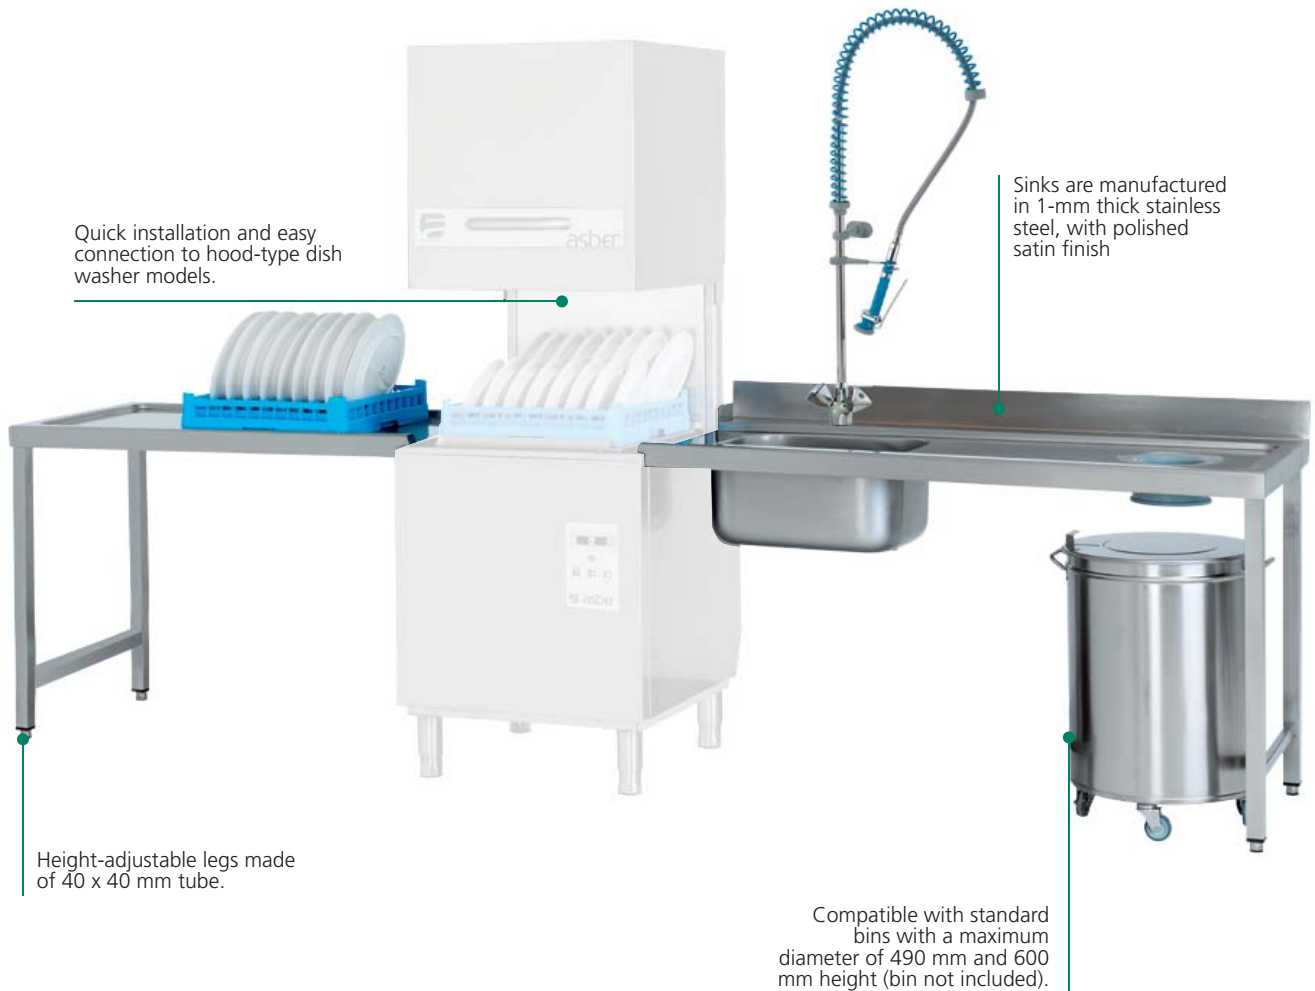

Tables for Dishwashers

Tables for Dishwashers

- A wide range of entry and exit tables providing solutions to every need and work surface.
- Made of stainless steel.
- Height-adjustable legs made of 40 x 40 mm tube.
- Seamless deep drain bowls with rounded angles for easy and quick cleaning.
- Seamless hole for waste bin, covered with a grey food-grade ring, totally leveled with the worktop surface.
- Quick installation and easy connection to hood-type dish washer models.

Careful design and modern manufacturing technology ensure maximum quality and unbeatable finishes

See our wide range of installation options on the next page.

ENTRY/EXIT TABLES. 2 LEGS

- Models with 2 legs and cross bracing.
- Place for elements under the worktop (trolleys, bins, baskets, other containers, etc.).
- Crossbracing section included as a reinforcement.
- Made of stainless steel, shiny finishing.
